## Bender Group Announces New Portfolio of International Services

**Reno, NV, October 1, 2007:** Bender Group headquartered in Reno, NV and a 62 year veteran of third party logistics, announces the formation of a new division focused on international operations and services. The new company, **Bender International, LLC** will provide customs brokerage and air and ocean freight forwarding to compliment an existing portfolio of public and contract warehousing, managed distribution, foreign-trade zone operation and domestic transportation.

**Bender International** will be lead by **William Dalton**. A licensed customs broker, William comes to **Bender Group** with 22 years experience in domestic and international transportation, freight forwarding and customs brokerage.

As the supply chain continues to reach beyond the boundaries of domestic commerce, third-party logistics companies must provide a range of services geared to meet the demands of the global market. **Bender Group** will offer solutions from the manufacturing source to the end user.

Backed by a team of skilled professionals with experience and training in domestic and international logistics, **Bender** combines intelligent logistics with expertise to respond to the requirements of a constantly evolving global supply chain.

### ABOUT BENDER GROUP

**Bender Group** is one of the most reliable and experienced third party logistics companies in North America with roots in the logistics demands of World War II. Founded in 1945 with a 60,000 square feet public warehouse in Reno, Nevada, **Bender Group** has responded to the evolution of the supply chain with an entrepreneurial spirit and emphasis on technology. **Bender** is now a full service 3PL, operating dedicated and multi-client distribution centers, a complete transportation network, and international logistics services. **Bender** uniquely blends its expertise and resources with an intelligent and focused small business approach.
